

January Campaign Bulletin

As we launch into 2026, our campaign is sharpening its focus on two essential pillars of success: name recognition and fundraising. Every supporter can play a meaningful role in both.

Fundraising Events

We're rolling out a full calendar of monthly fundraising events, including our signature "Denver Comic Relief" showcase. Additional events in development include:

- A fashion show
- A boxing show
- A golf tournament
- Three major summer events are currently being finalized

Our first fundraiser of the year will be a boxing glove giveaway, supported by your donations. Event details will be posted here and shared across Facebook and other social media platforms this weekend.

Building Name Recognition

To become Denver's next Mayor, we must continue expanding our presence across every neighborhood and community. We made significant strides in the last election, and now we have the opportunity to build on that momentum.

You can help by spreading the word to family, friends, co-workers, and the people you meet every day. We have flyers, brochures, and cards available to support your outreach efforts.
